Dear Sir:

REPORT OF VIOLATION - EPA ID #CAD097854541

On March 8, 1988, the Department of Health Services completed a review of the financial responsibility file for the above-named facility located at 2700 South Indian, Vernon, California.

As a result of this review, we have determined that the above-named facility is not in compliance with State laws requiring liability coverage and financial guarantees for closure costs. Specifically, the facility is in violation of Title 22 California Code of Regulations Section 67027 by failing to provide liability coverage for sudden accidental occurrences. The facility is also in violation of Title 22 CCR 67003 by failing to provide evidence of financial assurance for closure costs.

Be advised, you must immediately submit the following:

1. A certificate of insurance, financial test, or alternative mechanism to demonstrate liability coverage for sudden accidental occurrences of \$1 million per occurrence with a \$2 million annual aggregate per facility for sudden accidental occurrences; and \$3 million per occurrence per facility with a \$6 million annual aggregate per facility for non-sudden accidental occurrences.
2. Financial documents to satisfy the requirements of financial assurances for closure costs. These documents must be in the form of a trust fund, surety bond, letter of credit, closure insurance, or financial test/corporate guarantee, or alternative mechanism. Forms are also enclosed for your convenience.

The issuance of this Report of Violation does not preclude the Department from taking administrative, civil, or criminal action related to the violations noted herein.
